By: Kwaku Darko (<http://omgvoice.com/authors/?geoip&country=GH#brantiin>) | 2 Day(s) ago

Welcome to Ghana where everybody wakes up and decides to put up a church. They all have funny names too.

Well, if you think we are joking, then take a ride with us.

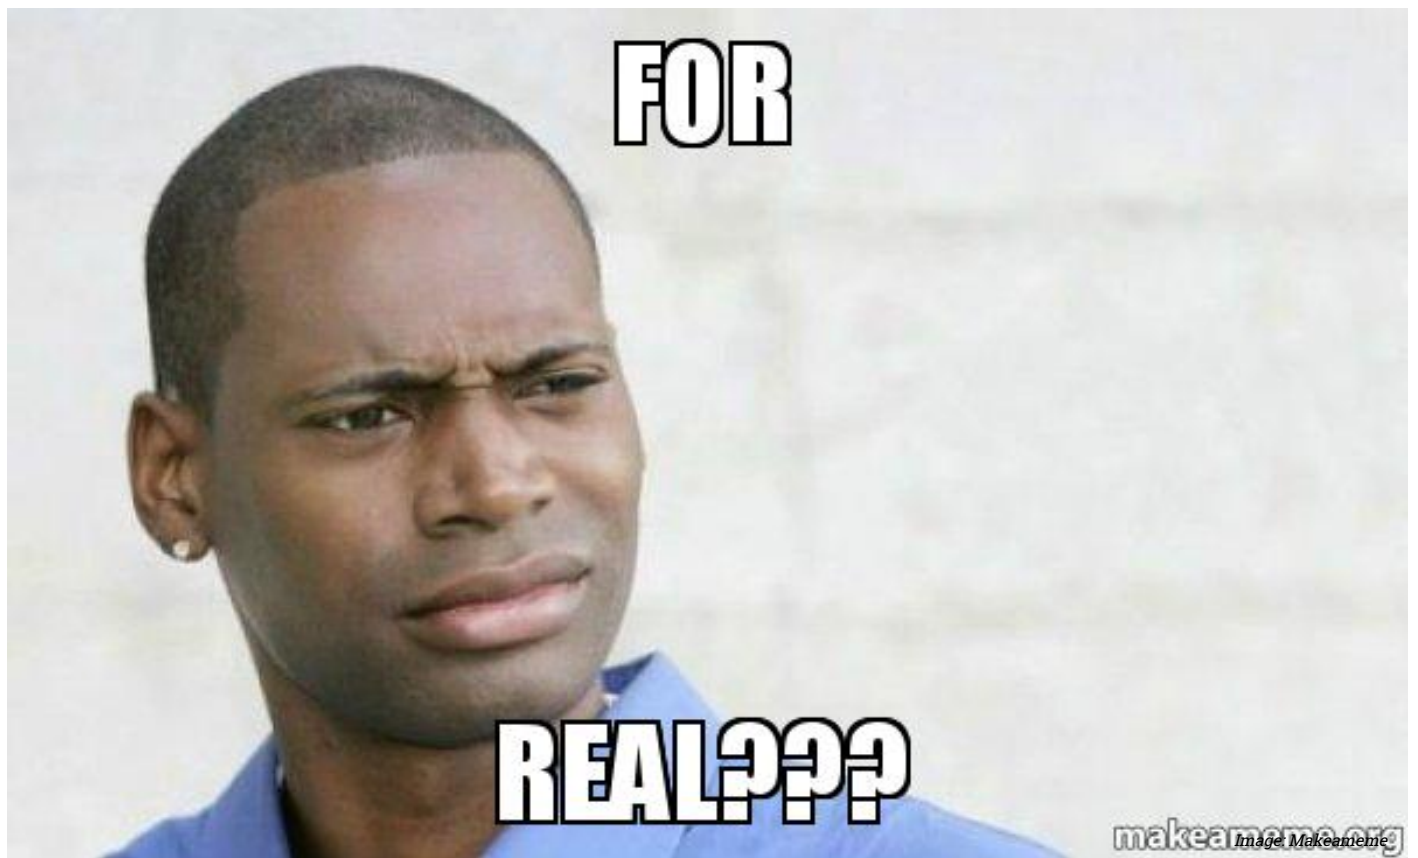

1. Run For Your Life Ministry

It seems this church is trying to tell you to run for your life when you see it but people are obviously blind and do not really deep into the meaning. As the saying goes, "he who runs, lives to fight another day".

2. The Atomic Bomb Bible Brigadial Barrack Ministry

We don't know whether this is actually the name of a church or a military base, only God knows.

3. Pay Your Tithe and Offering Bible Church of God

This one is direct, no wahala!! You should know what to do when you get there, it's right in your face.

4. Satan in Trouble Ministries

Obviously!

5. Guided Missile Church

Now this is a war zone and you must prepare for war whenever you're going to church.

6. Fist of Fury Church

We can't tell whether this is a new movie from Hollywood or the name of a church. These pastors will not kill us.

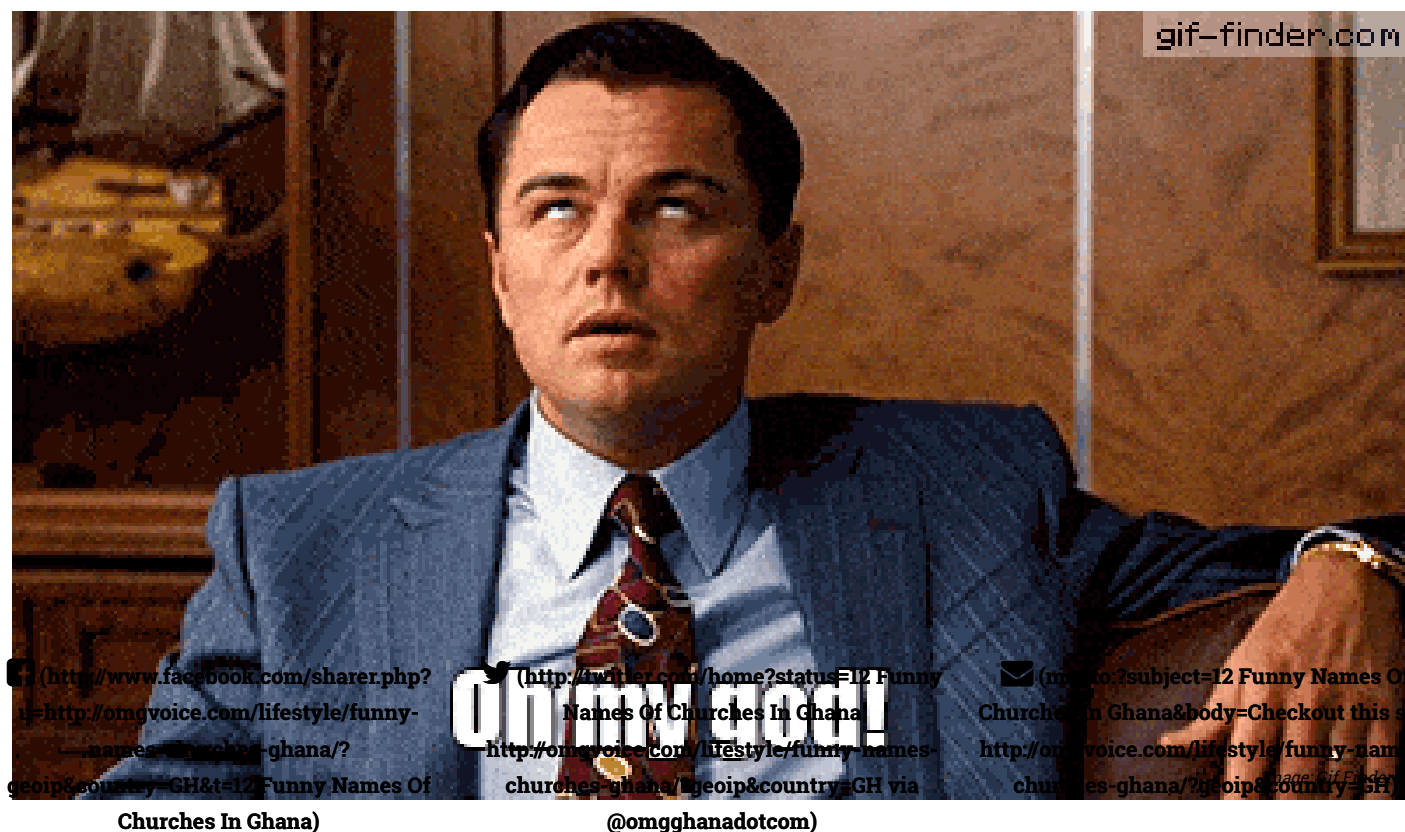

7. Healing Tsunami Ministries

We're wondering how this church intends using a Tsunami to heal? Do they even know what that is?

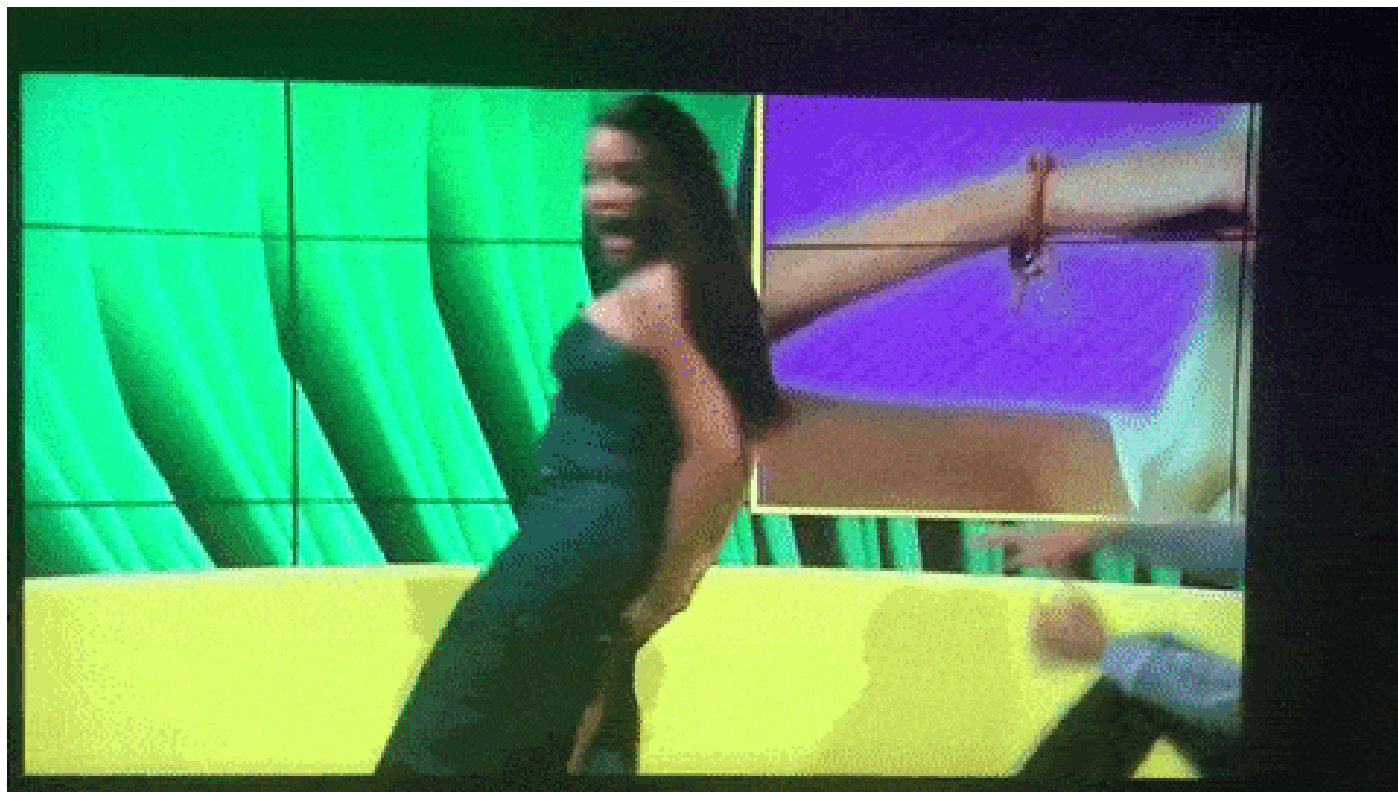

8. The Ministry of Unclad Wire

We swear, the pastor of this church is an Electrician...walahi!!

9. High Tension Church

And this one probably works at ECG

10. David Killed Goliath Ministry

And who doesn't know that?
